SUMMER CARNIVAL FUN: Every year the Town of Caledon hosts a summer camp carnival for all campers to enjoy, and this year teamed up with the Caledon Public Library Reading Club. One special attraction at the Caledon Community Complex in Caledon East was Franklin The Turtle, aided by guides Jordyn and Tasha Potter of Bolton who have been volunteering at the library. Children of all ages, such as (left) baby Eric Cameron and big sister Leslie of Caledon East, kept cool with water sponge games, eating watermelon and listening to storyteller Stephen Kossen reading in a cool tent.
